FINANCIAL TASK FORCE

Going into this new 4-H year, we will no longer have an Adult Leaders Association. It will become a 4-H Financial Task Force.

The first official meeting of the new 4-H year will be held Wednesday, September 16th at 6pm at the Extension Office. (This meeting is subject to change but please mark this down on your calendars).

The purpose of this task force will be to oversee the finances of the 4-H program. There have been a set of bylaws that have been revised by the Grimes County Extension Agents and these bylaws will be available at the meetings. We still need to elect a Chairman, secretary, and treasurer for the Task Force. These positions will assist the Extension Agents in running the Task Force meetings. If you are interested in holding one of these positions please attend the next meeting. The Extension Agents will oversee the elections. Please note once the new 4-H year begins and the Task Force is put into place all 4-H parents/ volunteers are all encouraged to attend these meetings and if you are actively enrolled in 4-H Connect you will have a vote.

Thank You for all of your hard work and dedication.
