Our Mission

To provide quality, relevant, outreach education programs and services to the people of Texas.

What We Do

AgriLife Extension brings the resources from the Texas A&M University System to the people of Texas. Through locally based faculty, AgriLife Extension provides unbiased, research-based information, educational programs, and technical assistance in the following core service areas:

- Youth Development
- Family & Consumer Sciences
- Nutrition, Diet and Health
- Environmental Stewardship
- Community & Economic Development
- Agriculture

"Texas A&M AgriLife Extension provides equal opportunities in its programs and employment to all persons, regardless of race, color, sex, religion, national origin, disability, age, genetic information, veteran status, sexual orientation, or gender identity."
