10:30 Show and Tell

Note the change of venue!!! We are meeting in the Country Music Hall of Fame today, so that we can help hang the many beautiful quilts for the upcoming show. Oh, come on, now! This is going to be fun! It's only hard work if 1 person has to do it all – with all of us cheerily pushing on, we'll be finished in no time!

Are you remembering to work on your Challenge Apron for the June meeting??

We had a note from Letha Kobs. She is cold in Minnesota, but happy. She would like to hear from us, and asked that I pass on her address:

Yay!!! Quilt Show!!!
