Beef Cattle Marketing Workshop

TEXAS A&M AGRILIFE EXTENSION

January 8 & 9, 2019

3-7 p. m.

Kuhlman Extension Center

200 N Brown Rd

Canyon, TX 79015

Representatives from Commodity & Ingredient, LLC, Chicago, Ill will be presenting and sharing a complete cattle marketing plan for stocker cattle as well as cow calf producers.

Use the Right Strategies for Your Operation:

- Quantify and manage exposure across all your positions
- Establish protection that matches your profitability, risk tolerance and market bias
- Adjust positions to capture margin gains as prices change over time

Gain an Information Advantage

- Anticipate the potential impacts of various positions before you make a decision
- Identify historical and seasonal price trends
- Calibrate the sensitivity of a position to a change in price
- Determine your margin call exposure
