About Recordbooks

Why is it important you keep a record of your 4-H activities? Because, by recording your activities you can remember all the fun you've had so far, and set future goals! Keeping records of 4-H projects could help you when you apply for college scholarships too! 4-H Recordbooks are books you make to record your annual projects. Every award and scholarship in 4-H is based on the recordbook....so JUST DO IT!

Texas 4-H Shotgun Day Camp

WHAT is the Texas 4-H Shotgun Day Camp?

The Texas 4-H Shotgun Day Camp is an event for 4-H Shooting Sports members with intermediate shotgun experience and skill. This is not a program for beginners or first year shooters. This is also not a program for the advanced shooter. The program aims to promote shotgun shooting skills in American Trap, American Skeet, and 5-Stand Sporting Clays, as well as to promote youth development by enhancing teamwork and leadership skills and shooting sportsmanship. Each participant will receive intensive training in their choice of one of the above shotgun games. The camp is designed for youth who want to increase their performance by developing and improving shooting skills, mental discipline, self-control, and shooting etiquette on the field. The Shotgun Day Camp Instructors are experienced and skilled 4-H coaches from across the state who know their shotgun games and know 4-H Shooting Sports.

The secondary purpose for this camp is to enhance the experience and skill of selected existing 4-H Shotgun Coaches. These coaches must have 4-H Shotgun Coach Certification and limited experience and limited skill in shotgun shooting sports. The selected adult coaches will shadow camp instructors.

A significant change for this camp is that it will now be a 'day camp'. This only means that the camp will not include overnight accommodation. The camp will only operate during the day and in limited optional evening activities. The same number of hours will be spent in training and on the range. This change will mean that each family will be responsible for nightly lodging for their 4-H shooter. Because this is also the week of State 4-H Roundup, certain hotels have been blocked for 4-H family use in College Station. These have also been made available for families involved in this camp. A variety of hotels and rates are represented on the list which is posted on the 4-H Shooting Sports webpage (<https://texas4-h.tamu.edu/projects/shooting-sports/>). There are other hotels and RV parks in the area as well for your choosing.

WHEN: June 10-13, 2018

LOCATION:

The 2018 Texas 4-H Shotgun Day Camp will be held at the **Boswell Porter 4-H Shotgun Range** in Snook, Texas. The range is located about fifteen minutes outside of College Station. Personal shooting equipment can be securely stored at the range after each day's training.
