- A majority of team members should participate in the presentation.
- Following the preparation phase of the contest, each team will give a 5-minute presentation to a panel of judges. A majority of team members should participate in the presentation.
- To earn maximum points, teams must use these 5 minutes to address the following areas of the presentation scorecard: Knowledge of MyPlate, Nutrition Knowledge, Food Preparation, Safety Concerns, and Serving

Size.

- At the end of 5 minutes, time will be called – additional time will not be allowed. Judges will be allowed 3 minutes to ask questions; however, judges may not ask questions related to what teams should have covered during the presentation.
 - Judges questions should be related to general nutrition, health, chronic disease prevention or others relevant to food and nutrition.
 - When asking questions of the teams, please be sure to keep them age appropriate. While each presentation will vary, it's also important to try your best to be consistent with the questions you ask each team.
 - Teams are allowed the use of notecards during the presentation but should not read from them, as this minimizes the effectiveness of their communication.
 - Please be sure to provide comments on the scorecard for each team. This will help them improve their presentation in the future. Constructive feedback gives young people a positive learning experience.
 - Judges are not allowed to taste the foods prepared.
 - Placing will be based on combined preparation and presentation judge scores. Placing based on scores will be final upon tabulation. Judges should not leave judging area until dismissed. Judges' results are final upon announcement.
6. **TIMING:** Please stay on time with the judging of the presentations so the entire contest can stay on time. Teams should follow the guidelines of only have five minutes for their team presentation.
- Group leaders will serve as timekeeper, at the end of the 5-minute presentation time, timekeeper will say “stop” to indicate presentation should cease. They will then allow 3 minutes for judges’ questions, announcing “stop” at the end of this time. Another option may be for judges to be given a timer or use their cell phone and asked to monitor time.
7. Thank you!
