CATEGORY DESCRIPTION

| | |
|------------------------------|--|
| Everyday Living | Includes casual sportswear, weekend-wear, sleepwear, clothing for school, casual after-school events, or hanging out with friends |
| ReFashion | The result of modifying existing clothing or fabric item (such as table cloth or curtain) into something more fashionable. The main purpose of ReFashion is creativity, as well as sewing skills. The member designs and sews a wearable garment from previously used garments or fabric item. The completed garment is different from its original use, not just an alteration. (Examples: neck ties sewn together to form a skirt or taking old t-shirts and making them into a skirt) |
| Semi-Formal to Formal | Entry must be designed for semi-formal to formal occasions and made from fabrics intended for the same. Original material must be fabric and not from recycled items. Semi-formal is a little less formal than formal black tie. Ex. For women dresses or stylish pantsuit made of taffeta, chiffon, satin or other similar fabrics. For men dress includes jacket or vest, trousers and a tie. Current fashion does not dictate that a tie is absolutely necessary. |
| Theatre/Costume | Garment intended for use as a costume, which would include stage production. May be sewn from fabric or from another garment. These garments may be unusual or innovative materials; imaginative but wearable. |
