Texas A&M AgriLife Extension

2017

COLLIN COUNTY
MASTER GARDENER VOLUNTEER TRAINING COURSE

Tuesdays, August 29 – November 14
8:30 AM – 4:00 PM

Myers Park and Event Center
7117 County Road 166, McKinney, TX 75071

The mission of the **Collin County Master Gardener Program** is to provide science based education and outreach programs to the public to improve the lives of county residences. The purpose of the training program is to educate volunteers to support and assist the Extension Horticulture Program in Collin County. The training offers instruction in lawn care, ornamental trees and shrubs, insects, diseases, weeds, soils, plant nutrition, vegetable gardening, fruits, nuts, berries, flower gardens, water conservation, and much more!
