TEXAS A&M
AGRI LIFE
EXTENSION

October 5, 2022

Dear Youth Supporter,

The Comal County 4-H and Youth Development Program supports the life skills development of the youth of Comal County through educational activities teaching leadership, citizenship, public speaking, team work and communication, all while developing 4-H project-specific skills. The 4-H youth organization is open to all youth, between the ages 8 and in the 3rd grade and 18 without regard to race, color, religion, sex, national origin, age, disability, genetic information or veteran status. Comal County has over 500 4-H club members in 9 4-H clubs and numerous volunteer adult leaders who work with 4-H youth in their project areas as they "learn by doing."

This year some of our 4-H members have taken on the role of Special Hearts Ambassadors. Their goal is to include more special needs children in 4-H. They have decided continue to host a Livestock Show to give children with disabilities the ability to experience something they love to do. Therefore, Comal County 4-H Special Hearts Ambassadors will be hosting their 7th annual Special Hearts Livestock Show on December 4th at the Comal County Fairgrounds.

This show will open up the agriculture industry to its participants as well as give them an experience they might otherwise not be able to achieve. We are looking for sponsorships to be able to put on the Special Hearts Livestock Show.

Donations received will go towards the following expenses: Special Hearts Showman T-Shirts, Special Hearts Volunteer T-Shirts, snacks and beverages for participants and volunteers, Special Hearts Showmanship Ribbons, ambassador shirts, and other expenses which may arise.

All donors will be recognized on the Special hearts banner which is used for photography purposes the day of the event. Please see the attached donor options for more details.

The members of the Comal County 4-H Special Hearts Program thank you for your support and for considering our request for donations. Donations to Comal County 4-H (subordinate of Texas 4-H Inc., 501(c)(3) GEN #5932) are deductible as provided in section 170 of the Internal Revenue Code.

If you have any questions or desire more information, please feel free to contact our Comal County Texas A&M AgriLife Extension office at (830)620-3440.

Sincerely,

Lauren Strom
Comal County Extension Agent - 4-H and Youth Development
