### **ORDERING INSTRUCTIONS:**

#### **I. Turkey poults**

- a. Birds delivered for these shows will be **straight-run commercial type birds (toms and hens randomly mixed)**. These are U.S. Pullorum-Typhoid (PT) clean birds. They should be raised away from other farm fowl, especially older birds.
- b. The order form will serve as your official Pullorum-Typhoid-03 papers; you will not be required to submit any other health papers on these birds at the CCYF, HLSR, SASSR and RA shows.

## II. Bird identification

- a. Each exhibitor's order will be identified by a series of numbered wing bands. Birds are assigned to exhibitors by these numbers. Turkey poults from this single order are eligible for all four shows (CCYF, HLSR, SASSR and RA).
- b. **MAJOR SHOWS ONLY - Birds losing their wing bands, for whatever reason, will not be allowed to enter the show. Birds with wing bands that show evidence of tampering will be sifted, and the decision of the show official is final.**
- c. The superintendents of the Youth Market Poultry Divisions will instruct bird sifters and judges to disregard wing bruising and damage caused by a wing band.
- d. Show officials reserve the right to collect tissue and/or blood samples at the show to verify entries.
- e. The HLSR, SASSR and RA are **terminal shows**. All birds entering the show grounds will become the property of the shows and may not be removed from the show grounds. *Birds shown at CCYF will have their wing bands removed and will NOT be eligible for the Major Shows.*

## III. Ordering

- a. Once an order is received and processed, it cannot be cancelled for a refund.
- b. Each exhibitor **MAY** order an individual set of birds (up to 75) **OR** siblings within the same household may order and share a set of birds (up to 75). In other words, a family with multiple exhibitors can order an individual set of birds for each exhibitor in the family, OR if they wish, they can order one set of birds for the entire family. In either case, the maximum number of birds in a set that an exhibitor can select from for the show is 75 birds. This rule is the same for the CCYF, HLSR, SASSR and RA shows. Please note: families with multiple exhibitors are **NOT** required to place a single order for the entire family. Family orders are an option.  
For turkey orders: A minimum of 5 and a maximum of 75 poults may be ordered per exhibitor or family unit.
- c. On the order form you must designate which organization each exhibitor will be exhibiting under (4-H/FFA). Place all members of the same family on one order form.
- d. Each exhibitor's name listed on the order form must be their full legal name as it will be supplied to the livestock show office for show entry. If submitting a family order, you must list the complete name of each exhibitor for that family's order.

## IV. Cost and payment information

- a. The price of turkey poults is **\$4.25** per bird

- b. Payment in full for all birds ordered must accompany the order form.
- c. The payment **MUST** be in the form of a cash, check or in the form of a money order. Orders will NOT be processed and assigned a reference number until the correct form and amount of payment is received.

- e. Orders must be mailed or brought to:
  - Texas A&M AgriLife Extension Service
  - Coryell County

#### **V. Bird pick-up information**

- a. The pick-up date has yet to be determined (at the time this information is being made available). The pick-up date for turkeys is estimated to be the week of November 5 - 9, 2018, so exhibitors should be prepared to receive birds at that time.

#### **VI. Eligibility**

- a. Only actual Texas 4-H and FFA members are eligible to compete in the youth market poultry divisions of CCYF, HLSR, SASSR and RA.
- b. Exhibitors must **pay entry fees directly to CCYF, HLSR, SASSR or RA** (fees other than the cost of birds).

#### **VII. Miscellaneous**

- a. If an exhibitor changes schools or moves to a different 4-H or FFA chapter after ordering birds, they may show their birds under the new chapter provided we receive a letter advising us of the change.
- b. The threat of avian influenza and other reportable diseases continues to be of serious concern to poultry in Texas. Monitoring programs are in place on a continuous basis. Any requirements for testing, limitations on the movement of poultry, or other activities related to this or similar matters will be handled under the authority of show officials and/or the Texas Animal Health Commission.
- c. For clarification of any part of these Rules and Procedures, please call the Coryell County Extension Office at 254-865-2414.
