

Join us for the  
Permian Basin Master  
Gardener's  
JMG® Teacher

Jump into JMG® with both feet. This training will include an overview of the Junior Master Gardener® program, hands-on activities from the JMG® curriculum materials, both Level 1 and Level 2 curriculum, and preparations to become involved. We will also include a hands-on demonstration of building small area gardens such as tire gardening and raised beds.
