Fun 4-H Fact:

A. B. Graham started a youth program in Clark County, Ohio, in 1902, which is considered the birth of 4-H in the United States. The first club was called "The Tomato Club" or the "Corn Growing Club". T.A. Erickson of Douglas County, Minnesota, started local agricultural after-school clubs and fairs that same year. Jessie Field Shambaugh developed the clover pin with an H on each leaf in 1910, and by 1912 they were called 4-H clubs.

Gray County Extension and 4-H

HEALTHY TEXAS Y • O • U • T • H AMBASSADORS

Become trained and recognized as
a student health and wellness
leader in your community!

WHO CAN JOIN?

Membership is open to all youth entering at least 9th grade regardless of socioeconomic level, race, color, sex, national origin or disability. Ambassadors will serve a two-year term beginning summer prior to the start of the school year.

WHEN IS TRAINING?

During the summer, ambassadors will attend one of the "Building Healthy Youth to Build a Healthy Texas" Summits. These Summits will lay the foundation for ambassadors to implement health, wellness, nutrition, and safety programs across the state.

WHERE WILL YOU SERVE?

Once training is complete, youth ambassadors will provide 50 hours of service to their community. Hours can be earned through peer-to-peer education, school programs, community programs, and service learning opportunities.

WHAT IS IT ALL ABOUT?

This program is designed for high school age youth who have a passion for health and wellness. Youth will be trained at the local & regional level to become youth health experts who can motivate others to make changes in their lifestyle and improve overall health. More importantly, ambassadors will assist local county extension agents with program efforts, project activities, and much more!

WHY CHOOSE US?

Become a trained student assistant to Texas A&M AgriLife Extension agents, helping to provide leadership with programs.

Become knowledgeable and skilled in the healthy lifestyles subject matter.

Learn to coordinate and present educational events that will encourage better health in your community.

Give 40 hours of service to improve the health of your community.

For more information please contact your local county extension agent or visit the website below.
