The Oil Belt Farm & Ranch Club was started in 1958 with a group of producers in the Gregg County area. The main function of the club is to provide a common meeting place for beef and forage producers to exchange ideas and for educational purposes with the leadership of the Texas A&M AgriLife Extension Service. Membership is open to all people interested in agricultural production in the area. Our club expenses are minimal. Membership dues and donations to the club are used to fund the scholarship program.

Dues are \$25.00 per year for membership.
