Forest Management Plan Workshops For 2019...

Texas A&M Forest Service (TFS) will assist you in writing your forest management plan and setting attainable forest management goals for your property.

Follow these simple steps:

1. *Contact your Texas A&M Forest Service District Office that covers the county in which your property is located,*
2. *Set up a date and time to meet with a TFS representative on your property.*
3. *Attend a 3-hour forest management plan writing workshop, and*
4. *Use the information from the property visit and workshop training to develop your forest management plan.*

TFS has designed specialized workshops to empower you to develop and write your own forest management plan for your property.

This process enables you to:

- ★ Write your plan on your time schedule,
- ★ Be engaged in setting the management goals with professional guidance, and
- ★ Learn and gain experience to manage your forest.

Be sure to call the TFS office in Marshall and
RSVP for one of the sessions!!
