### Ways to Be Good To Yourself!!

- Start a prayer journal. Keep a list of your prayer requests the dates you made them and the dates they were answered. The results will amaze you.
- Go for a car ride in the country on an Autumn day. Look at the lovely fall foliage. Stop somewhere for freshly made apple cider.
- Plan a slumber party for just yourself. Rent several movies that you have been wanting to see, pop popcorn, and curl up on the sofa with a big blanket.

Sincerely,

*Deana Sageser*
