Duds to Dazzle

Creating something new out of an item or series of items is a great way to use one's creativity and upcyle unused articles into useable and stylish products. The skills and strategies used in the Duds to Dazzle contest are applicable even if entering the contest is not your end goal. They help you generate ideas and get organized for success with whatever you plan to do with your creation.

If you are interested in learning more about this contest, and would like to see what it is all about, join us on:
