We are excited to announce the 1st ever Extension Festival!

To give a brief explanation of what extension is...

"The Texas A&M AgriLife Extension Service is a unique education agency with a statewide network of professional educators, trained volunteers, and county offices. It reaches into every Texas county to address local priority needs. Some of our major efforts are in mitigating drought impacts; conserving water use in homes, landscapes, and production agriculture; improving emergency management; enhancing food security; and protecting human health through education about diet, exercise, and disease prevention and management.

The members of Texas A&M AgriLife will provide equal opportunities in programs and activities, education, and employment to all persons regardless of race, color, sex, religion, national origin, age, disability, genetic information, veteran status, sexual orientation, gender identity, or any other classification protected by federal, state, or local law and will strive to achieve full and equal employment opportunity throughout Texas A&M AgriLife.

2021 Harrison County Extension Fest. Vendor Request

AgriLife Extension demonstrates the latest technology and best practices to improve the state's food and fiber system, which serves all Texas consumers and contributes nine percent of the gross domestic product. Texas 4-H, our primary youth program, engages some 600,000 youth every year in learning projects, leadership development, and community service."

We are home to many groups and organizations you very well may have heard of! Farmer's Market, Master Gardeners, Quilt club, TEEA Ladies, 4-H and much more. We have created this event to bring the community in and get involved in our organization. There is a home for everyone in Extension.

Our 5K and Fun Run will start at 8:00AM. Vendors will be set up from 8:00-1:00. There will be a 9/11 service at 9:00AM as well to honor those who lost their lives 20 years ago. There will be LOTS to see and do.

We were awarded a GO TEXAN grant, funded by Texas Department of Agriculture, so we are so happy to announce ALL proceeds from this event will go straight to our non-profit clubs and groups!

Spacing for GO TEXAN members will be LIMITED. Cost to set up will be \$40 (payable once approved). Deadline to sign up is July 26, 2021. We will only accept a certain number of entries to guarantee we have ample space for our clubs and organizations. You will receive an email by August 2, 2021, if you are approved or denied.
