

Changes to the 2017 State 4-H Horse Show

4. Show management reserves the right to combine age divisions when there were 5 or fewer exhibitors entered in the class the previous year. Classes in which age divisions are combined will receive one champion and one reserve champion buckle, with 3rd – 10th individuals receiving placing ribbons.

3. At District and State Shows, a horse may be ridden by only one 4-H'er per Class. Separate age groups do NOT count as separate classes. Example: a horse may be ridden in barrels by one 4-H'er and Stakes by another 4-H'er, provided that the 4-H'ers are siblings, the ownership requirements are met, and the horse has been properly Validated as a 4-H project (see validation rules). Exception: Drill and precision riding. Futurity horses may never be ridden by more than one person.
