

# Salvia Farinacea

*'Henry Duelberg'*

Low maintenance, heat tolerant, native perennial with masses of showy blue flowers

**Hardiness:** Zone 7

**Exposure:** Full sun

**Size:** Height 3 feet; width 3 feet

**Notes:** Spikes of showy blue flowers from spring until frost. More floriferous than other cultivars. Texas native plant; found by Greg Grant in a small central Texas cemetery. Taller with bluer and more floriferous flowers and larger and greener leaves than modern cultivars. Not preferred by deer.

***Salvia 'Henry Duelberg' can be viewed in the Master Gardener's Demonstration Garden located behind Hood County Annex 1 on 1410 W. Pearl St, Granbury, Texas***
