Texas 4-H Congress

Texas 4-H Congress is a four-day mock legislative experience for 4-H members in grades 9th to 12th (at the time of the event). During this time, 4-H members assume the roles of senators, representatives, lobbyists, press corps, and special interest groups to gain a first-hand understanding of how the legislative process works. Bills that are written and sponsored by 4-H members focus on issues concerning Texas and Texas youth. These bills are assigned to the appropriate committee, debated in committee meetings, and then on the floor of the House or Senate. If a bill is successful in negotiation and the legislative debate in all three stages, it is delivered to the Governor of Texas 4-H Congress for his or her signature or veto. Copies of all the bills that are signed into law during Texas 4-H Congress are provided to the Office of the Governor for review.
