2020ONE Day 4-H

Saturday, October 10 ends National 4-H Week with One Day 4-H. Clubs all across the Nation will be seeing what they can do in one day to make a difference in their communities.

KINNEY 4-H's One Day 4-H project for this year is a special request and will answer a little known need to a large group of individuals in our Community. We will be working on 50 markers for the graves of the unknowns in our County Cemetery! We have lots to do, so it is likely to be an ongoing project for the rest of the year.

We will start on this project on Saturday, October 10 from 8 am until noon, here at the Extension office. We hope you can participate! Wear weather appropriate clothing for outdoors and for getting messy. Wear a cap/hat, put on sun screen, and bring your gloves if you have some.

We will make a trip to see the area we will be working on.
Water and some refreshments will be provided.

Food Show and Challenge for 2020

Food Show will be held during Fall Roundup, December 1-3 in Kerrville. Plans are being made for practices on food skills, nutrients, and presentation. Be sure you are on the list to participate if you are interested. Get on Kinney 4-H on Facebook to watch the videos that will help you polish your food preparation skills. Know how to use all the tools!

Food Challenge will be held during Spring Roundup, April 8, 2021. We are putting teams together that will practice as a team at designated times at the Extension office or at team members' homes.
