County 4-H Council Meeting:

County 4-H Council will meet on **May 7th, 6:30 p.m. at the Extension Office**.

School Eligibility:

Kleberg-Kenedy County AgriLife Extension Service complies with the law set forth by legislature regarding eligibility and school absences. Members competing or simply participating in a 4-H event (food show, fashion show, livestock show, etc.) must be certified as eligible to participate by their respective schools. School officials will be provided with a list of students entered in competitive and/or non-competitive 4-H events. Should a student be ineligible due to their respective School District's Policy (grades, absenteeism, discipline, etc.), 4-H members will be notified in writing of their ineligibility status by our office.

Americans with Disability Act of 1990:

Individuals with disabilities who require an auxiliary aid, service, or accommodation in order to participate in any 4-H event are encouraged to contact their County Extension Office at 361.595.8566 at least two weeks in advance of the program to see how reasonable accommodations can be made.

District 11 Horse Show Information:

All District 11 4-H Horse Show information is now posted to the District 11 website. Registration will be open now through May 18. After May 18, there will be a $25 late registration fee.

All information (letter, information, rules, working order, and map) can be found here:

https://d114-h.tamu.edu/events-and-contests/horse-show/ District 12 will be participating in the D11 Horse show, however, separate books and awards will be given for each district.

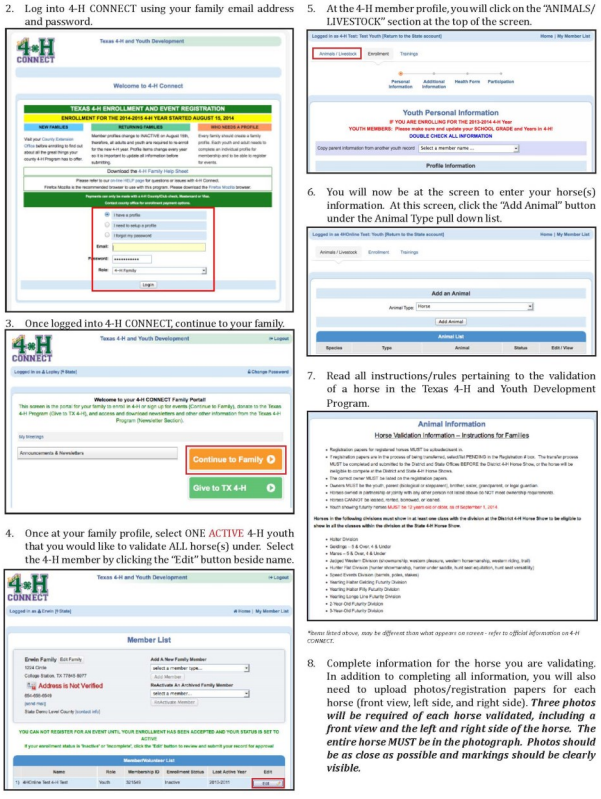
Horse(s) must be validated, please see instructions.

2018 Horse Validation:

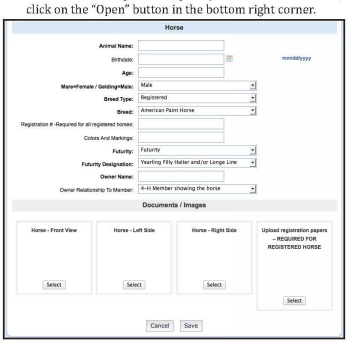
The 2018 Horse Validation will be open on 4-H Connect starting tomorrow March 1st. Attached you will find pdf documents outlining the instructions for families and instructions for approval on the county agent side, and they will also be available on our webpage shortly: https://animalscience.tamu.edu/livestock-species/equine/state-4h-show/ .

As in years past, the cost for validation is $10 per horse from March 1st through April 15th, $20 per horse from April 16th through May 1st and we have added a late fee of $250 per horse from May 2nd through May 5th. There will be absolutely no validations accepted after May 5th. If you could have all horse validations within your county approved by May 10th we would greatly appreciate it. Also, please encourage those with registered horses to make sure that they apply for and receive any necessary transfer of ownership with the breed association. The owner listed in 4-H Connect must match the owner of record on the horse's registration papers, and appropriate relationship status selected between the horse owner and the 4-Her. We are partnering with various breed associations to recognize those youth showing registered horses at the State 4-H Horse Show, and in order to be eligible for those breed awards the registration papers must be correct and uploaded to 4-H connect.

We have several new additions to the State 4-H Horse Show this year, including a new class: Quad Drill; jackpots for speed, roping and ranch sorting events; and expanded scholarship opportunities including the Hi Pro feed incentive program. We will be sharing more information about these events during the validation period to encourage 4-Hers in the horse project to validate and participate at the district and state horse shows.



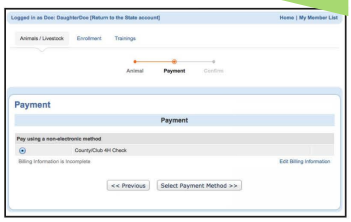
To upload a photograph/paper, click on the "Select" button in the appropriate upload box, a box will appear - locate the correct photograph/document based on where it is located on your computer/drive. Once selected, click on the "Open" button in the bottom right corner.



9. The photo or a pdf logo should now appear in upload box. After all information is complete and photos/documents uploaded, you will click the "CONTINUE" button at the bottom of the screen.

10. After clicking continue you will be ask for your payment method. The two options may be either credit card (preferred) or by club/county check. If paying by club/county check you will need to print out an invoice and provide it and your payment to the County Extension Office so they may request a club/county 4-H check. **A PERSONAL CHECK WILL NOT BE ACCEPTED BY THE TEXAS 4-H YOUTH DEVELOPMENT PROGREAM.**

    Select your form of payment (if a credit card information has not previous been entered into the 4-H CONNECT system, you will be prompted to complete prior to using the credit card method).



After payment has been made, you will acknowledge 4-H CONNECT policies and then click enter. Once validation for this horse is submitted you will be returned back to your animal list. At that point another horse can be added, or validated.

HORSE VALIDATION PERIOD IS:

March 1, 2018 to April 15, 2018
$10.00 per horse

April 16, 2018 to May 1, 2018
$20.00 per horse

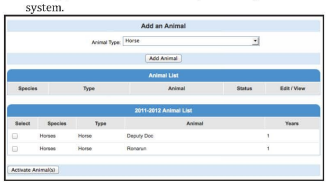
May 2, 2018 to May 5, 2018
$250.00 per horse

Validation and payment is required of ALL horses regardless if they were entered this year or last!

RE-VALIDATION OF A HORSE ALREADY IN THE 4-H CONNECT SYSTEM

ALL EXISTING HORSE PROFILES IN 4-H CONNECT MUST BE REVISED AND EDITED IN 2018 DUE TO CHANGES IN FIELDS. DO NOT CLICK THROUGH VALIDATION WITHOUT UPDATING

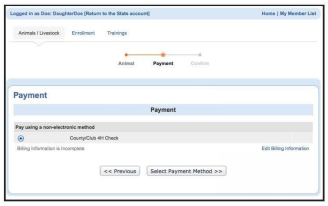
1. Follow steps 1 through 5 of the instructions above.
2. Once you are at your animal screen, you will see the horse(s) that were entered in the past already in the system.



3. From this list, you will select the horse(s) you wish to reactive for this year by clicking on the box beside the horse name. Once the correct ones are selected, click the "ACTIVATE ANIMAL(S)" button.

4. After clicking the activate button, you will see the horse(s) appear underneath the "Animal List" section of your screen.
5. To complete the validation process of the horses listed, you will click the "Edit/View" button beside each horse, verify all information and then click the "CONTINUE" button at the bottom of the screen.
6. After clicking continue you will be ask for your payment method. The two options may be either credit card (preferred) or by club/county check. If paying by club/county check you will need to print out an invoice and provide it and your payment to the County Extension Office so they may request a club/county 4-H check. **A PERSONAL CHECK WILL NOT BE ACCEPTED BY THE TEXAS 4-H PROGRAM.**

    Select your form of payment (if a credit card information has not previous been entered into the 4-H CONNECT system, you will be prompted to complete prior to using the credit card method).



After payment has been made, you will acknowledge 4-H CONNECT policies and then click enter. Once validation for this horse is submitted you will be returned back to your animal list. At that point another horse can be added, or validated.

HORSE VALIDATION PERIOD IS:

March 1, 2018 to April 15, 2018
$10.00 per horse

2018 District 12 Leadership Lab:

More information coming soon, deadline for registration to be announced

Interested in learning about leadership development, meeting new friends, and having lots of FUN? District 12 4-H Leadership Lab is an excellent opportunity for youth ages 12 years old and up to learn new and different activities, interact with youth of the same age, meet new members from other communities and have plenty of fun. Lab is scheduled for **June 19-22 in Kingsville. Approximate cost: $200/participant.** County Council will contribute money to participants attending to help offset the cost. If interested, please sign up through 4-H Connect.

District Shotgun Match:

IMPORTANT:

The details for the District Shotgun Match have not been released. The date is likely going to be Friday, May 18 with registration moved through May 10th. When information is finalized, we will let you know.

IMPORTANT NOTE!

2018-2019 4-H Club Chartering Information:

Below are highlights for the 2018-2019 Chartering Process:

- All 4-H clubs/groups must be chartered by February 28, 2019 for the 2018-2019 4-H year. This ensures that all community 4-H clubs will be active for at least six months in order to provide a quality 4-H experience. For SPIN clubs or other special situations related to the formation of a club/group after February 28th, a request for late submission can be made to the Texas 4-H Office.
- 4-H Clubs/Groups which are not going to be active for the 2018-2019 4-H year due to lack of leadership or membership, but would like to retain their EIN are required to charter and request an "INACTIVE" status for the 2018-2019 year. This will allow the club/group to remain under Texas 4-H Inc. for one 4-H year. If the club does not become active after one year of inactive status, the club will permanently be removed from Texas 4-H Inc's IRS list.
- A set of revised club bylaws related to civil rights, financial accountability, and membership are available. Each Texas 4-H Club/Group should update their bylaws using the new revised set for 2018-2019.
- A budget WILL NOT be required to be submitted for the 2018-2019 chartering process.

Bank statements uploaded as part of the chartering packet should not include copies of canceled checks. This is for security of the club/group account(s).

The documents are located online at: https://texas4-h.tamu.edu/volunteer/#club-management.

2018 Poultry Institute for Youth

Sponsored by U.S. Poultry and Egg Association

When?

The 2018 Poultry Institute for Youth will be held **Sunday, June 10 through Tuesday, June 12, 2018** at Texas A&M University in College Station, Texas.

What is the Poultry Institute?

The Institute is a 3 day camp for students with an interest in the poultry industry. Students will attend mini lectures taught by Texas A&M University staff on topics such as anatomy, embryology, immunology, nutrition and processing. Students will also participate in field trips to poultry facilities.

Who is Eligible?

Students who have an interest in poultry and will be enrolled in the Fall 2018 semester as a high school junior, senior, or college freshman are eligible to apply to attend the Poultry Institute for Youth.

How do I Apply?

Interested students must complete an application that can be found on the back of this flyer or at the following link:

https://posc.tamu.edu/wp-content/uploads/sites/20/2018/01/2018-PIFY-Application.pdf

Students must submit their application by **Thursday, May 10, 2018**. Applications may be submitted through mail, fax or email. Participants will be selected based on their application. Notification will be sent to the selected students by **Friday, May 18, 2018**.

How much does it Cost?

A registration fee of $50 will be required for each participant that is selected to attend the Institute. This fee is to be paid upon acceptance to the program. Registration fees will be paid online once students receive their acceptance packets. **Do not send money with the application.** All other expenses, except transportation to and from College Station, will be covered by the sponsorship of the U.S. Poultry and Egg Association.

For any questions about the Poultry Institute for Youth, please contact the Poultry Science Department at 979-845-1654.

Texas Section Society for Range Management 64th

Youth Range Workshop

Join participants from across Texas June 17 – 22, 2018 at the Texas Tech University Campus in Junction, TX for the nation's longest running natural resources workshop for youth.

At the TSSRM Youth Range Workshop, participants gain useful knowledge and skills in the areas of ecology, inventory practices, management and evaluation of resources. Experts from across the state are recruited to teach the participants in fields ranging from watershed management, to prescribed burning, to soil health, and many areas in between.

Additionally, youth are trained in the areas of public speaking, advocacy, and leadership, so that they are armed with the knowledge they need to effectively educate others in the area of rangeland management, regardless of the career path they ultimately choose. The workshop is open to youth who are 14-18 years old, and have completed the 8th grade, but have not graduated from high school. .

The workshop is $400, and includes all meals, lodging, and educational materials needed during the week. Participants are encouraged to seek out sponsorships from various sources, including soil and water conservation districts or local ranches, and are then asked to go back after the workshop to present what they learned to those sponsors.
