MORRIS LIVESTOCK

Your South Texas Wether Goat Connection

Morris Livestock has a large selection of show wethers available at this time. The best genetics in the industry are represented. These goats have been weaned and are in extremely good health and condition.

My business association with BTW and partnership with Joe Raff has allowed Morris Livestock to offer this high quality set of wethers for sale private treaty at our own facility in South Texas. The goats are very reasonably priced starting at \$500.00. Morris Livestock has wethers available for all levels of competition. Our past success speaks for the quality we offer at our facility.
