

Outstanding Landscape Plants *for Lee County*

310 S. Grimes • Giddings, Texas 78942
 979-542-2753

Planting begins with selection of adapted species to site and climate. The time to decide on the species is long before you go to the nursery to select the tree. To help those who don't know the best trees and shrubs for this year, the following is a list which you should choose from:

GROUND COVERS

(space 1' apart)

Algerian Ivy	Perennial Verbena, 'Tex Tuf' (red, rose, purple)
Asiatic Jasmine	Plumbago (deciduous)
Bearded Iris	Prostrate Rosemary (herb)
