Liberty County 4-H Vet Science Program

If your 4-Her is interested in participating in the 4-H Vet Science program we have a new group gearing up to get started!

- Must be enrolled as active Liberty County 4-H member
- 5 year program commitment
- Monthly meetings
- 100 lessons
- 50 activities
- 500 clinical hours in veterinary practice
- After completion of program members can take test to be a Certified Veterinary Assistant

Books for the program need to be purchased through the Extension Office.

The cost is \$75 per book.

For more information contact Amanda Brooks at 936-334-3230 or email her at amanda.brooks@ag.tamu.edu

Eligibility Information

Please remember as we enter show season, that members must be active 4-H members enrolled on 4-H connect and passing all classes to be eligible to participate in 4-H events. The Extension office will send a list of participants to the schools, and ask them to check eligibility and request excused absences.

The Extension office does not determine eligibility, the school does. And, the Extension office can only ask for days to be excused. It is at the schools discretion to excuse students for participation in 4-H events.

The following statement is from the District 9 4-H Program Specialist Cory Hundl:

The statement below is taken from the Texas 4-H Rules and Guidelines:

4-H has been recognized by the Texas Education Agency as a legitimate school-related extracurricular organization. 4-H members may apply for excused absences in order to participate in 4-H activities. It is the responsibility of the local school district to determine whether or not any student is eligible and may be excused from classes to participate in any extracurricular event or activity. 4-H members are not automatically excused upon request, but are subject to all regulations of the Texas Education Agency and their local school district as they may apply to extracurricular participation.

For events that do not require 4-H participation, then we do not seek excused absences. If you have questions you may direct them to Cory Hundl (cory.hundl@ag.tamu.edu) or Eric Zimmerman (Eric.Zimmerman@ag.tamu.edu).

Liberty County 4-H is looking for parent volunteers who are interested in helping us get the Robotics program up and running. If you are interested or need more information please contact Amanda

Brooks at

936-334-3230

or email her at
