  - b. Teams must incorporate each ingredient into their dish. However, teams may determine the exact amount of each ingredient to use.
  -  c. The ingredients provided to each team may also be used to garnish the dish. Additional garnishing items will not be provided. **There will not be a pantry of items available.**
  - d. Note cards and the Food Challenge Worksheet may be used to write down the recipe that the team invents, along with notes related to nutrition, food safety, and cost analysis. Teams should be exact on ingredients used, preparation steps, cooking time, temperature, etc.
9. **Food Safety.** Each station will have food safety resources. Follow the steps listed to ensure proper food safety and be prepared to discuss food safety practices used in the team presentation to the judges.

  - e. No talking and now writing is allowed among any team members while waiting to give the team presentation. Team members caught talking and/or writing will receive a warning. The second time, the team will be disqualified and asked to leave the contest facility. Team members should not have pens or pencils in their possession while waiting to give their presentation.
14. **Clean-up.** Teams must clean up their preparation areas. Clean-up time is included in the 40-minute preparation allotment. Teams should plan to not have access to a kitchen facility; therefore, dirty dishes should be placed in a plastic container, bag, or box to be cleaned at home. Left-over food should be disposed of properly.
15. **No tasting of food.** Judges are **not allowed to taste the foods prepared**. No left-over food should be shared with any participant or the audience.
