What is Grandparents Day?

The official statute says the purpose of Grandparents Day is “to honor grandparents, to give grandparents an opportunity to show love for their children's children, and to help children become aware of strength, information and guidance older people can offer.” This day is a wonderful reminder of the significance grandparents have in our lives.

When is Grandparents Day?

We celebrate Grandparents Day each September on the first Sunday after Labor Day, usually the second Sunday of the month. This year it will be September 13, 2020.

What is the official flower of Grandparents Day?

The official flower of Grandparents Day in the U.S. is the forget-me-not. These plants bear stunning tiny blue flowers and have been used as a symbol of remembrance for centuries. In 15th century Germany, the forget-me-not was worn by ladies as a sign of enduring love.

Autumn

September 22 - December 21

The season of the year between summer and winter during which temperatures gradually decrease.

It is often called fall in the United States because leaves fall from the trees at that time.

8 Best Texas Parks to Visit for Fall Foliage

Texas isn't known for its fall season. With a long summer season that seems to immediately turn to winter, autumn only seems to last a few weeks out of the year in the Lone Star State. Although Texas' autumn is short, there are still a few great parks to visit during fall to embrace the cooler weather and admire incredible fall colors from the changing leaves. Plan your next fall getaway at these top Texas parks that offer up great views of fall foliage.

What's in Season? Zucchini Squash

Zucchini squash is one of the most popular varieties of squash. It is a versatile vegetable that is low in saturated fat and sodium, and very low in cholesterol.

Squash is also a good source of protein, vitamin A, thiamin, and other nutrients, including dietary fiber.

Zucchini are available year-round, but are best during late spring and summer. When selecting a zucchini, choose small to medium-sized zucchini that have shiny, bright green skin. It should be firm and heavy in hand. Avoid overly mature, large zucchinis with pitted, spongy skin. Zucchini can be stored in the vegetable compartment of the refrigerator for 2-3 days.

Zucchini Patties

12 Servings

Ingredients

2 cups zucchini, grated
2 eggs, beaten
¼ cup chopped onion
¼ cup all-purpose flour
½ cup grated parmesan cheese
½ cup mozzarella cheese, shredded
¼ teaspoon salt
Cooking spray

Directions

1. Wash your hands and clean your cooking area.
2. Wash and grate zucchini and wash and chop onion.
3. In a medium bowl, combine all ingredients.
4. Mix well enough to distribute ingredients evenly.
5. Spray bottom of skillet with cooking spray.
6. Drop zucchini mixture by heaping tablespoonfuls onto a skillet, set at medium heat.
7. Cook for a few minutes on each side until golden brown. Should make about 12 patties.
8. Serve immediately.
