

BACKYARD

POULTRY PRODUCTION

AUGUST 1, 2022

6:30 P.M. TO 8:30 P.M.

916 MAIN STREET, 1ST FLOOR

This course provides a broad introduction for those who want to keep small flocks of laying hens. Participants will learn about poultry feeding, health and egg production, as well as learn about the food safety side of handling eggs.

Guest Speaker - Dr. Greg Archer,
AgriLife Extension Poultry Specialist

Registration is \$15 cash/check
Payable at the door the day of the event.

Anyone interested in attending this seminar should RSVP by July 29th at noon, to Texas AgriLife Extension - Lubbock County Office at 806/775-1740 or by emailing rj-scott@tamu.edu

Note: Enter building through the South doors on Main Street
