

McCulloch 4-H Projects:

Food and Nutrition:

Food Show – (October-County Contest, November Dist. Contest) Individuals prepare recipe at home and presents one serving to judges while explaining information on food safety, food preparation principles, nutrient content and functions, and ChooseMyPlate

Food Challenge (Jan. contest)– Group of 3 to 5 must prepare a recipe from ingredients that are placed on their table for the contest. Evaluated on same info as food show.

Nutrition Quiz Bowl (November contest)– Game show format using: American Dietary Guidelines, Food Safety, Cookery Principles, and Choose My Plate info.

Citizenship & Civic Education

Community Service

Consumer Education (February contest)– Six categories of items you judge to be the best buys for a given situation. Two parts:

1)Rank 1-4 for each of the 4 items on each table.

2) Present oral reasons (Junior members are exempt) for how you ranked the items.

Leadership

Leaders 4 Life (March contest)– Judged on: 1) Performance of Parliamentary Procedure in a mock meeting and leadership skills.

Photography

(March contest) Placed depending on creativity and impact in 15 categories.

Public Speaking and Educational Presentations (May Contest)– Almost any topic of your interest. Could be in the form of a power point, posters, or demonstration. Needs: Introduction, body of information, summary, and list of resources

Share the Fun (May-June Contest)

Poetry/Prose – 1-9 members

Vocal – 1-9 members

Musical Instruments – 1 member

Celebrate 4-H Skits – 1-9 members

Dramady – 2- 9 members

Theatre & Performance Arts

Fashion & Interior Design:

Fashion Story Board- (April Contest) Drawing of a design you created for: 1) wearable clothing, 2) pet clothing, 3) jewelry, 4) non-wearable: furniture, curtains, etc.

Fashion Show Buying (April & July Contest)– Poise & interview about what makes a good purchase

Fashion Show Construction (April & July Contest)– Poise & interview explaining garment construction

Duds to Dazzle (April Contest) – Creativity is required to produce a new garment from supplied used items with your team of 3 to 5 members during a set time period

AG Sciences:

Livestock Projects & Shows (All year): **Beef, Swine, Sheep, Goat, Rabbits.** Must meet validation dates. **County Validation in October.**

Livestock Judging

(Nov./Dec contest, Feb/Mar. contests) – Acquire knowledge for ranking livestock upon their qualities.

Horse Shows/Judging/Quizbowls, Meats Judging, or Wool Judging – (April Contests) Study specifics about each subject and demonstrate knowledge learned in judging contest or quiz bowl format.

Shooting Sports – (Sept-July) Shotgun, Rifle & Archery-

Various contests and practices for each throughout the year.

SET – Science, Engineering and Technology (May/June Contest)–

Rocket Club, Robotics, and Motion Commotion

Displays: Use scientific method to illustrate subject matter. Categories: Food & Nutrition, Consumer Education, Production Agriculture, Livestock Production, Environment & Natural Resources (including water), Engineering, and Open. The steps are:

1. Name the problem or question.
2. Form an educated guess (hypothesis) of the cause of the problem and make predictions based upon the hypothesis.
3. Test your hypothesis by doing an experiment or study (with proper controls.)
4. Check and interpret your results. Report your results to the scientific community.

Health & Personal Safety - Healthy Lifestyle Contest—(June) Teams rank best choices of 4 options in categories pertaining to the following subjects: first aid, physical activity, substance abuse, tobacco cessation, passenger safety, teens and safe driving habits, ATV safety, fad diets, altering recipes, food safety, nutrient functions, sports nutrition, hydration, and sun safety. Then they present a solution to a case study.

Leadership Camps (June, July)– Multi-County Camp in Brady, 4-H Congress, District 7 Leadership Lab, Spectra, Brigades, etc.

Record books - (June Contest) This is the application for county awards. Great way for members to discover their organizational skills and record their accomplishments to be ready for scholarships when the time comes. 4-Hers who complete a 4-H record book are eligible for the local 4-H Awards, such as the leadership and the star awards. **In addition to the top county awards, these books are the foundation to many outstanding scholarships that are won each year by graduating seniors.**

Wildlife

Personal Development

Self Determined Projects – Aerospace, Computer Science, Dairy, Dog Care, Entomology, Gardening & Horticulture, Natural Resources, Plant & Soil Science, Poultry, Veterinary Science, and Much, Much More! <https://texas4-h.tamu.edu/projects/>
