ALL PROJECTS

Now is a good time to study up on whatever project you are interested in doing next year. Please call our office if you want to learn about any of the 4-H projects. We can make up a study packet for you so that you are better prepared for contests next year. You can't just show up to a contest and expect to win....it takes lots of preparation and studying to get there. After all....THE HARDER YOU WORK, THE LUCKIER YOU ARE!!!

RECORD BOOKS

We hope you are able to use some of your time getting your 4-H record book started. Remember that the record books are the application for the county awards every year. There is an optional new version for the record book that I have heard good thing about.

SEW FABULOUS

We are not able to meet face to face for our regular workshops, but you can work at home on a project to contribute to the **Million Masks Campaign**. Directions are on the separate attachment with this newsletter. Make as many as you can and share with whomever needs one or turn them into the 4-H office for sanitizing and mailing to Texas Oncology. Be sure to keep up with the number you made though so that we can get a count every week of how many we made. Please text Jacque (325-456-7301) the number you made every Monday so that we can include that in our count!
