

MENARD COUNTY JUNIOR LIVESTOCK SHOW

“A major key to any successful youth program is a strong community infrastructure”.

Since our first county show in 1931, Menard County students have been able to excel in their learning opportunities at the county level because of the strong community support and positive leadership from our community leaders and businesses.

The Menard County Jr. Livestock Show Association and board of directors would like to thank the following individuals and businesses for their continuing commitment to the youth of Menard County. This year, the 2012 show sponsors contributed \$ 53,185 dollars ... breaking their all-time record for the fifth year in a row.
