CONSTRUCTION DIVISION

A. CATEGORIES

1. Everyday Living

Includes casual sportswear, weekend-wear, clothing for school, casual after-school events, or hanging out with friends.

2. Pop-over skirts/pull-on shorts and pants

A quick to make skirt, shorts, or pants with a simple casing and elastic waistband and a hem. Trims and accessories may be added to the garments. **ONLY** the skirt, shorts, or pants will be judged (even if accessories were made by the participant). **THIS CATEGORY SHOULD BE LIMITED TO FIRST-YEAR PARTICIPANTS.** The pop-over skirt can be made with or without a pattern. It may be long or short.

3. Refashion

The result of modifying existing clothing into something more fashionable. The main purpose of Refashion is creativity, as well as sewing skills. The member designs and sews a wearable garment from previously used garments. The completed garment is different from its original use, not just an alteration. (For example, neckties sewn together to form a skirt or taking old t-shirts and making them into a skirt).

4. Theatre/Costume

Garment intended for use as a costume, which would include stage production. May be sewn from fabric or from another garment. These garments may be unusual or innovative materials; imaginative but wearable.

B. CONSTRUCTION GUIDELINES

1. All garments must have been constructed during participation in a 4-H Clothing Project between June 10, 2018 and the date of the District contest. Garments may be constructed by sewing, knitting, or crocheting using new or recycled material. Accessories such as belts, shoes, hosiery, gloves, jewelry, and hats may be purchased. Items not constructed by the participant will be considered accessories.
2. All garments worn may be entered. However, if a t-shirt needs to be worn underneath something then only the constructed garment would be judged. No additional garments may be carried with the exception of props (show stick, tennis racket, golf club, corsage, teddy bear, etc...)

BUYING DIVISION

A. CATEGORIES

1. Everyday Living

Includes casual sportswear, weekend-wear, clothing for school, casual after-school events, or hanging out with friends.

2. Fantastic Fashions under \$25

The \$25 challenge category is designed to expand the 4-H member's shopping experience to include different shopping venues. Outfits must be purchased at a garage sale, consignment store, Goodwill, Salvation Army, or retail store.

3. Semi-Formal

Entry must be designed for semi-formal to dressy occasions and made from fabrics intended for the same. This includes men's suits and women's dressy attire. Enter the appropriate information in the column headed "Garments Selected" on the Buying Division Worksheet. Information will be evaluated during judging so the worksheet must be complete. Adult judges will ask questions about the garment and the comparison shopping experience.

2. Comparison shopping may include department store, boutiques or specialty stores, mail order catalogs, internet sites, outlet stores, and professional seamstresses. Three different shopping sources must be used, not three sections of a single store.
3. All garments worn (garments that are visible-i.e., blouse under jacket or vest) during the interview process must be included in the buying worksheet.
