Happy Veteran's Day! How blessed we are to enjoy the many freedoms we have, and how fortunate that these freedoms are protected by an all-volunteer military.

Today we shall enjoy a Style Show by Evelyn Hughes, proprietress of Nimble Thimble of Tyler.

Sit & Sew for November and for December will be cancelled due to schedule conflicts with impending holidays. We look forward to resuming in January.

For everyone who was fortunate enough to visit the International Quilt Show in Houston last weekend: please bring your purchases with you to club meeting. We all want an opportunity to admire, and envy!

Yippee!! It's finally cold enough to wrap up in cuddly, soft quilts!
