The lovely ladies of the Whistling Chicken (Carthage's premier shop for all things exciting and creative in textile arts) will be presenting our program this month. Fasten your seat belts — it's going to be a fun ride.

Please check the membership roster for corrections. I am still having E-Mails returned to me as 'undeliverable'. Do you still have that E-Mail account? Have I mis-spelled something? I frequently pass on to members, via E-Mail notices of sales and events as I learn about them. You don't want to miss out!

A Sit-n-Sew workshop is planned for 24 June at St. John's Episcopal Church. It begins at 9:00 AM. Bring your own brown bag lunch. No trades, unless your mom says it's okay.

Please remember to bring (or send) your recipes for the goodies you share with us at meetings. Otherwise, you are stuck with one of mine — like this month's.

It's too hot to go outside much — let's stay inside with the A/C and quilt!
