For our program this month we will learn about lace-making on embroidery machines, and some of the ways your quilts and quilted garments can be embellished with lace. We will also hear about some of my recent adventures in Amish Country, and learn a little about Amish quilting techniques.

A Sit-n-Sew workshop is planned for Sept 23rd at St. John's Episcopal Church beginning at 9:00. Everyone is invited!!!

Is anyone getting more quilting done, now that school has started????

Sincerely,

Sarah Colley Jones
