Positive Thoughts

PHOTOS BY MATLIN SAIN; TEXAS 4-H

How do we stay positive in the midst of chaos? We can do this by only allowing positive thoughts in our minds! When we have negative thoughts it brings us down and it prevents us from feeling our best. Here are some positive thoughts:

"Logic will take you from A to B. Imagination will take you everywhere."- Albert Einstein

"You're braver than you believe and stronger than you seem, and smarter than you think." - Christopher Robin

"The capacity to learn is a gift; the ability to learn is a skill; the willingness to learn is a choice."- Brian Herbert
