

# **Rains County Fair Creative Arts New Demonstration Kitchen**

In order to offer more fun and educational exhibits to our Rains County Fair visitors, we are adding a Demonstration Kitchen to the Creative Arts Building. We will hold nightly food, sewing, and horticulture demonstrations that will be led by our County Extension Agent, TEEA Members, Rains 4-H Members, and special guest presenters.

With this addition to our building, we will be holding our Baked Goods Contest at night this year, with the judging being held in front of fair visitors and participants. This will be another way we can involve more people in the Creative Arts Exhibits.

So we are offering the opportunity for local businesses and individuals to advertise as a part of this project. All project sponsors will have their names prominently displayed on the outside of the Creative Arts Building during the week of the fair. This is a one-time payment, but the sign will be displayed each year during the fair. This will be a great opportunity for our community to show its support of this exciting new addition to our Rains County Fair activities.

You may support our Creative Arts Demonstration Kitchen  
through one of the following sponsorships:

- ◇ Platinum Sponsor \$500.00 or In-Kind Donations  
(donations of materials, supplies, etc. valued at \$500.00 or more)
  
- ◇ Gold Sponsor \$250.00
- ◇ Silver Sponsor \$100.00
- ◇ Bronze Sponsor \$ 75.00
- ◇ Copper \$ 50.00
