

Rains 4-H Members

Texas 4-H Roundup Bound

Several members of the Rains 4-H Club competed on Saturday, April 5, 2014 at the District IV 4-H Roundup at Texas A & M University – Commerce. We had 9 members participate in the Educational Presentations contest. After many hours of practice at home, as well as, with the County Extension Agents they all did an outstanding job!

In the Junior Division, Avery Gowin won 2nd place with her presentation. In the Intermediate Division, Aubrey Gowin, Colton Franks, Trent Jennings, and Chloe Miller all respectively placed 1st in their category.

All 4 of our senior 4-H members who competed will advance on to the Texas 4-H Roundup, which will be held in June in College Station. This is the result of countless hours of practice and presenting their programs to various audiences. Taylor Young won 1st place, Chance Cobb and Jena McCall placed 2nd and Trevor Miller won 3rd place.

Good luck Taylor, Chance, Jena, and Trevor as you represent Rains County!
