

Rains 4-H Members

Texas 4-H Roundup Bound

Several members of the Rains 4-H Club competed on Saturday, May 2, 2015 at the District IV 4-H Roundup at Texas A & M University – Commerce. We had 8 members participate in the Educational Presentations contest. After many hours of practice at home, as well as, with the County Extension Agents they all did an outstanding job!

In the Junior Division, Blake Alexander placed 1st in the Open ANR category. In the Senior Division, Colton Franks placed 1st in the Beef category, followed in 2nd place by Jena McCall. In the Open ANR category Chloe Miller placed 2nd, Chance Cobb placed 3rd, and Trent Jennings rounded out our group with a 4th place award. Aubrey Gowin also placed 2nd in the Health category, while Trevor Miller snagged 3rd place in Open General.

All of our senior 4-H members who competed will advance on to the Texas 4-H Roundup, which will be held in June in College Station. This is the result of countless hours of practice and presenting their programs to various audiences.

Good luck as you represent Rains County!
