4-H Horse Validation Process - May 1 Deadline

May 1st has and still continues to be the deadline for a 4-H'er to certify a horse.

Beginning in 2009, the term "**validation**" was used for this process, which certifies that the project is owned by the 4-H'er or their sibling, parent, grandparent, or legal guardian. The process validates that the horse is owned and not leased or borrowed.

Horses not validated on or before May 1st are **INELIGIBLE** for District and State 4-H Horse Shows!

Heifer Validation

As most of you are aware, we began heifer validation for any heifer that you might take to any major show in Texas. We will validate heifers twice per year; once in the Fall and once in the Spring. However, if a heifer is validated once, then they will not have to go through the process again. The spring validations must be completed by the end of June. Validation date will be announced later. Original registration papers will be uploaded to a database by the Validation Committee. Please e-mail scanned originals of Beef Heifer papers to Stephen Gowin by **June 1, 2018** or bring original papers to the office by then for us to scan. Once the heifer is purchased, you must register the animal **immediately** in order to have the papers on hand by the end of June. The cost of validation is **\$15.00** per heifer. Please let Stephen know how many possible heifers you will have so he can order enough validation materials.
