

## **4-H'ERS COMPETE IN ARCHERY COMPETITION**

Ten members of the Rains 4-H Club participated in the District 4-H Archery Competition in Paris, Texas on Friday, May 10<sup>th</sup>. This is the first year that our kids participated in this event and they had a blast and represented Rains 4-H well.

Rains 4-H had over thirty youth participating in the Archery Project. For ten weeks, kids learned many aspects related to this project. Archers learned many safety precautions and shooting scenarios to help them prepare. They also learned different parts of the bow so they could make sure that it is functioning properly and safely.

The 4-H members that attended the District Archery Contest have participated in the project for the past three years. They have worked very hard to hone and improve their shooting skills over the years.

I would like to thank Mr. Jeremy Cook for taking the time to help train these 4-H members. His time and dedication are greatly appreciated. I would also like to thank all the 4-H members and parents that attended the competition.

Following are the results of this competition:

### **Junior Division**

Gunner Cook	2 <sup>nd</sup> Place
Gage Cook	3 <sup>rd</sup> Place
Hagen Gowin	5 <sup>th</sup> Place
Jason Wilson	6 <sup>th</sup> Place
