# 2021 MARKET LIVESTOCK SHOW RULES

1. Participation in the supervised junior market livestock division is limited and restricted to Rains County 4-H Club members and Rains I.S.D. FFA members who reside in Rains County or attend a school in Rains County and who have continuously, personally fed and cared for their animals under the direct supervision of the County Agricultural Extension Agent or Agricultural Science Teacher. To be eligible, boys and girls must be 8 years old and in the 3rd grade and may not have graduated from high school. 4-H and FFA members showing in the Rains County Market Show may not have tagged in validated animals or shown in any other county market show within one calendar year of the Rains County Show, or they will be disqualified.
2. The Rains County Jr. Market Show shall be deemed as a Terminal Show. Therefore, all market animals, (steers, goats, lambs, pigs) will become the sole property of the Fair Association. The buyers will no longer have an option to give the animals back to the exhibitor. Each animal will either be put on the truck or will be sent to the slaughterhouse. Under NO circumstances will the exhibitor be allowed to take any market animal home – with only the exception of Steers. See specific Steer Rules.
  - a. If animals are purchased by any family member off the truck, or families find other ways to break the above-mentioned rule, then the youth will be subject to Disciplinary Action.
  - b. Any youth taking a Sale animal from the Fairgrounds without consent of the Fair Board is subject to Disciplinary Action spelled out in Rule #19, below.
3. A standard 4-H or FFA record must be kept on the project and dropped off at the **County Extension Office by Friday, September 10, 2021 by 4:00 P.M.** If a record is not available, this disqualifies the animal from the show. Plaques will be given for “Best Set of Records” on steers, market hogs, goats, and lambs. A complete record must contain the following:
  - a. Standard record form
  - b. Picture story (showing the development of the animal)
4. All market animals must be purchased by the official tag-in date. All market animals must be tagged in on the official tag-in date set by the organization. A market animal has a seven-day grace period after tag-in date to be replaced in a situation of hardship but only with the Association’s approval.
  - ★ Tag-in date for steers is **April 18, 2021**
  - ★ Tag-in date for swine, goats and lambs is **June 5, 2021**
5. Each exhibitor may tag in two animals but may only show and sell one market animal. The two animals may be of the same species or the combination of any two. For example:

★ 2 swine	★ 1 swine or 1 steer	★ 1 lamb or 1 goat
★ 1 swine or 1 lamb	★ 1 steer or 1 lamb	

Two animals of the same species may be tagged in under multiple siblings’ names that all live at the same residence. Each animal must be officially tagged and recorded. Exhibitors must show and sell their own animal.

6. Each exhibitor is responsible for getting their animals to the fairgrounds on **Wednesday, September 15th**. All lambs, goats and swine may begin arriving at the Fairgrounds at **6:00 A.M. and must be in place by 2:00 P.M.**, meaning they must be at the Fairgrounds and in a pen by 2:00 P.M. Official Weigh-in time will be between 4:00-6:00 P.M. We will begin by weighing the lambs, goats, then pigs. Failure to weigh in on time will disqualify the animal from competition. **Pen spaces are limited so there may be multiple animals per pen.** Steer weigh-in times and place will be published.
7. At weigh-in the tag number, or tattoo, and exhibitor's name must match that of the number and name registered at tag-in date. Any deviation will disqualify animal from competition. No animal may compete if it has not been validated.
8. Once an animal is unloaded to be weighed and it does not make the weight requirements, it cannot leave the fairgrounds if it is to be weighed in again before weigh-in is over. If the animal is taken off the grounds, it will not be allowed to be re-weighed.
9. The Fair Association is obligated to sell only the top 80% of the livestock (subject to a sift per species).
10. A fee of 3% of the selling price will be charged as commission to pay the premiums and purchase ribbons.
11. All exhibitors are responsible for the caretaking of their own animals while at the Fair and until the animal has been delivered to the buyer's choice of reasonable destination. Each animal should be fed and watered within a schedule and excessive shrinkage due to negligence of exhibitors will result in cancellation or reduction of payment. Feed, water, and troughs shall be provided by exhibitors.
12. Unethical fitting of animals is prohibited. Any animal that is unethically treated by exhibitors will be disqualified. This will be at the discretion of the Fair Association. Any product administered internally or externally to alter the appearance or conformation of an animal for exhibition is prohibited and will be cause for disqualification. This includes, but not limited to, stomach pumping, or the forcing of water into an animal to increase its weight.
13. At the time the animal is sold, the Rains County Fair Association has control of the animal.
14. Exhibitors must comply with all other rules and regulations set up by the Rains County Fair Association throughout the entire feeding program, show, and sale.
15. If the 4-H or FFA member has charged their feed at the local feed store and has not paid their bill at the time the exhibitor checks are prepared, then the check will be made payable to the youth and the feed store. If all debts are not paid, the child will not be eligible for next year's show.
16. Parents, we need your help getting your child's animal into the arena for the Show and Sale. We have very limited volunteers working the barn, so at least one parent must be responsible for getting your child's animal into and out of the arena.
17. You must pick up all your personal items from the show barn by Sunday afternoon, i.e., water hoses, fans, feed buckets, etc. **We do not gather up any items that are left.**
18. Thank You cards must be brought to our office as soon as you receive your list of buyers from our office. **They must be handwritten by the child on a Thank You card.** We will not accept any that are computer-generated. We will not release your check to you until this request is completed and in our office.

19. If 4-H or FFA members violate any of the above-mentioned Rules, they are subject to one or all the following deemed by the Fair Board: Forfeiture of Premiums and Prizes, Banned from Future Shows, Banned from any Fair Scholarships, and/or any other Disciplinary Actions at the discretion of the Fair Board.

20. **CLEAN-UP**

- ★ Deadline: **Sunday, September 19, 2021**
- ★ You will not be allowed to wash out your pens with water, so you may use shavings.
- ★ Please be at the Fairgrounds by **9:30 A.M. on Sunday, September 19, 2021** to clean the shavings out of your pen. Failure to do so will result in a delay in receiving your check from the livestock sale.

**Recommended best practices for attending the Livestock Show:**

- Face coverings **are suggested** for anyone on the grounds. Face coverings are not recommended for children under 2 years or anyone who has trouble breathing or is unconscious, incapacitated or otherwise unable to remove the covering without assistance. Individuals who are exhibiting in the arena are not required to wear a face covering but are required to a keep 6-foot of space between them to the extent feasible.
- All event attendees, including but not limited to, employees, volunteers, judges, guests, parents, siblings, and exhibitors are asked to stay home if sick.
- All event attendees, including but not limited to, employees, volunteers, judges, guests, parents, siblings, and exhibitors (legal guardian of exhibitor if under 18 years old), **may be asked** to sign a COVID-19 screening form acknowledging their responsibility.
- People who are sick should stay home and/or visit a healthcare facility, depending on symptom severity, and follow CDC guidance for caring for oneself and others.
- Individuals will be encouraged to clean and disinfect items from home (halters, buckets, pitchforks, etc.) before bringing them to the event and again before they take them back home.
- Individuals are discouraged from sharing of items (halters, brushes, clippers, etc.) that are difficult to disinfect between competitors, barns on the premises, and farms.
- Washing hands with soap and water is the best way to get rid of germs in most situations. If soap and water are not readily available, use hand sanitizer with at least 60% alcohol.

# SPECIFIC SPECIES RULES

## Steers

- All entries in this department will refer to all general rules.
