**\*\*These figures are reported solely on East Texas Livestock's market \*\***

Total Sellers.....124

Feeder Calf Companies.....28

Feeder Calf Buyers.....16

Compared to last week; feeder steer and heifer class averages from 400 lbs and down ended Fully \$4 to \$6 weaker while the heavier classes (over 400 lbs) ended a full \$3 to \$5 higher Slaughter cows today comparisons with last week were \$2 stronger while the slaughter bull Figures remained firm

Today's market demand shifted from aggression on the lighter classes to more emphasis on the Heavier classes as winter cold and wet conditions once again plague the grazing country Buyer interest and demand continued good on a mostly lower quality offering of feeder calves
