Compared to last week; all feeder steers and heifers weight class averages finished fully \$3 to \$6 higher

Slaughter cow figures showed to be off \$2 to \$3 while the slaughter bulls ended \$1.50 lower  
 Buyer interest and demand was noticeably stronger on all feeder calves on today's light offering.  
 As the muddy conditions began to dry up in both the feedlots and grazing pastures up North, potential feeder buyers are once again showing interest and aggression in their inventory purchases .
