Feeder Calf Buyers.....17

Compared to last week; all feeder steers and heifers price averages on the lighter classes finished From \$3 to \$6 higher while the heavier class averages ended \$2 to \$4 higher

Slaughter cows showed to be firm to \$1 higher while the slaughter bulls ended mixed to \$1 lower
 Buying activity was brisk with the demand good on a mostly good quality feeder calf offering.

With the Mexican tariff proposal currently off the table, it appears the market fundamentals are back on track.
