****These figures are reported solely on East Texas Livestock's market ****

Total Sellers.....190

Feeder Calf Companies.....32

Feeder Calf Buyers.....19

Compared to last week: All weight class averages of feeder steers ended fully \$2 to \$3 higher while the feeder heifer averages finished firm.

Slaughter cows were steady to \$1 lower with the slaughter bulls trending \$3 lower

Buyer interest was strong today with good activity on all feeder calf classes. Even with both the US and China issuing new tariffs on Sunday it appears today's market paid little attention to this "new round" of tariffs as buyers aggressively tried to fill their orders

Cattle were from attractive to very plain. Packers continue making large margins but feeders are forced to take less because of the Tyson plant burning. Fats brought a dollar in Texas and Kansas. Feeders are taking a blood bath so the calves have to be bought cheaper. No rain means no grass. Fall weather is coming but it remains hot and dry with grazing short.
