(Some hard to place plainer or afflicted calves fall below these figures)

**\*\*These figures are reported solely on East Texas Livestock's market \*\***

Total Sellers.....235

Feeder Calf Companies.....30

Feeder Calf Buyers.....17

Compared to last week: All weight class price averages of feeder steers and heifers ended fully \$3 to \$5 higher. Even with large volumes of slaughter cows and bulls moving into the markets, the slaughter prices appeared to have remained steady with last week's figures.

Today's mixed board closing had no affect on feeder calf demand and buyer aggression as it appeared buyers were intent on filling demand orders from their customers. The volumes remain large on a good quality offering of feeder calves.
