Compared to last week: All weight class price averages of feeder steers and heifers weighing 500 lbs and down ended fully \$3 to \$6 higher while the heavier weight class price averages showed to be steady to \$1.50 higher.

Slaughter cows and bulls prices continue to weaken under volume pressure and ended \$4 lower
 The announcement that the US and China will sign a agreement on Nov. 17th had little effect on today's futures board as it closed mixed. Buyers stepped up their purchases today even though the feeders are experiencing major animal health problems.
