Compared to last week's market; all feeder steer and heifer weight class averages under 600 lbs ended fully \$5 to \$8 higher while those classes over 600 lbs ended \$1 to \$3 higher. Slaughter cow comparisons showed \$1 higher while the slaughter bulls ended \$3 higher.

With the signing of the partial trade agreement tomorrow by the US and China along with the continuing booming economy which supports a strong beef demand, feeder calf buyers continue to scramble to secure inventory. Today's market demand was strong supported by 19 individual calf buyers.
