Compared to last week: all weight classes of both feeder steers and heifers ended mostly steady to \$2 higher. The lower quality classes however felt market pressure and weakened from \$3 to \$5 lower. Slaughter cows and slaughter bulls trended \$3-\$4 lower.

Today's strong board closing appeared to be a result of increased packer kills but reality is there still remains an enormous wave of fat cattle waiting to be processed on slaughter plants running about 60% of their capacity. There is also the starting of delivery of wheat calves which are needing the pen space currently occupied by the backlog of market-ready fats.

NOTICE: IF YOU ARE PLANNING ON MARKETING YOUR WEANED CALVES IN OUR MAY 26th SALE, PLEASE CONTACT US IN ORDER TO SECURE PEN SPACE AS SOON AS POSSIBLE
